Living Water Resorts Continues Serving the Collingwood Community as Platinum Sponsor for 2019 Collingwood Youth for Christ Golf Day

Collingwood Ontario:

Living Water Resorts is pleased to announce its continuing commitment to serving the local community as the Platinum Sponsorship of the 2nd Annual Herman Ohrt Memorial Golf Tournament in support of the Collingwood Youth for Christ ministry.

The 18-hole shotgun, scramble tournament and dinner will be held at scenic Duntroon Highlands Golf Club on Friday, September 27th.

Living Water Resorts — a natural playground between the mountains and the bay — is a four-season vacation resort located in Collingwood. The resort has a long-standing commitment to serving inspiring experiences for the local community and its guests. Earlier this year, Living Water Resorts received the 2019 Tourism Canada HR Service Award for leadership in advancing human resource management practices contributing to economic and social benefits for its staff and the Canadian tourism sector.

Larry Law, Founder and CEO of Living Water Resorts, explains the resort's unique business as a mission approach: "Our mission at Living Water Resorts is serving inspiring experiences to our guests, our staff and serving our local community through our resort's facilities, services and programs. Our mission is to inspire the mind, rejuvenate the body, serve with the heart and promote wellness. We are very proud that our sponsorship will aid the needy young people in our community."

“We share a strong belief with Collingwood Youth For Christ to serve our local community. Our mission aligns and supports Collingwood Youth for Christ’s tireless objective to deliver inspiration and wellness to needy youth in our community.”

Aaron and Danielle White, Co-Directors of Collingwood Youth For Christ commented: “We’re delighted to have Living Water Resorts’ caring support to help us see young lives changed.”

“We find it a privilege to walk with teens as they face the complexities of life during the most challenging part of growing up. Many teens are still finding out who they are and why they are here, and we help them explore those challenges. Currently, we provide youth with a place to drop-in, enjoy food and connect with staff and volunteers. We see upwards of 100 teens a week. We also provide an after-school program. Along with our regularly scheduled programs, we operate two camps throughout the year, as well as several joint trips events with other satellites in our YFC chapter.”

To register for the golf day or become a golf day sponsor, please visit www.collingwoodyfc.org/2019-golf-tournament/ for details.

About Living Water Resorts

Living Water Resorts is the only resort located on the shores of Georgian Bay in the heart of Collingwood. With 370 luxurious one-bedroom and two-bedroom suites equipped with living/dining room and kitchen areas in two resort hotels, Living Water Resorts offer inspiring experiences for extended stays. Onsite amenities include Ontario's only Aquapath spa, an 18-hole championship golf course, an onsite marina offering a wide array of water sports, and award-winning dining including Collingwood's only waterfront restaurant.

About Collingwood Youth For Christ

Collingwood Youth For Christ is a ministry of Highlands Youth For Christ (HYFC) and is part of a network of 11 satellites operating in central Ontario. Programs are tailored to each town, meeting the needs of youth in each community, while having the support of an international organization.

Collingwood YFC has operated a youth centre in Collingwood since 2000, and continues to grow, serving nearly 600 youth each year. Collingwood YFC is directed by Aaron and Danielle White, who oversee Campus Life and The Door Youth Centre, respectively.
